Serving the local community in the name of Christ since 1859

28th September 2018

Please note there is **no afterschool club** on **TUESDAY** next week due to a football fixture

Hello everyone,

My name is Miss Nazam and I have joined the St. Clement's family this year. Before joining St. Clement's, I gained experience in a range of schools. I am currently teaching the wonderful year 5 students along with Miss Suwanpatra.

Over the past few weeks, I have had the opportunity to get to know the students and I am already impressed by their eagerness and hard work in class.

I'm excited to be joining a school where all students and staff have been so welcoming and I'm looking forward to a year full of fun and lots of learning opportunities.

Wishing you all a lovely weekend!

Miss Nazam

Harvest and Macmillan Donations

We would like to say thank you to all our families that have sent in donations for our Harvest collection and Macmillan Sweet Treats sales today. More information to follow next week.

We are only a few weeks into the new term and already we have an ever increasing collection of lost property items.

We ask that you please take the time to label your child's clothes, including PE kits and coats, to make them easier to return when found.

Please you also check your child has come home with the correct items, especially younger children as it is easy for them to accidentally mix-up their clothes with others.

Calling all parents!

Do you have a little time to spare? Do you have any skills/hobbies that you would be willing to share with the children? Or would you just like to get involved in some way?

As you may know we now offer the children a range of enrichment activities on a Friday afternoon, from 2pm - 2:45pm These range from Bhangra dancing to sewing. We are looking to involve some of our parents and community by asking for volunteers to spare a little time.

You could join in with a group led by a teacher within school or if you have something you feel you are good at or have an interest you could lead a session supported by a teacher. The children are really enjoying these new experiences. Why not get involved, if only for a few weeks?

If you are interested either for now or from January onwards, let us know in the office and we can give you more information.

Packed Lunches on School Trips.

We would like to remind parents that when your child goes on a trip they need to bring a packed lunch with them **as we only provide packed lunches for children who are entitled to Free School Meals.**

When you don't send one in with your child this causes delays for the whole class and takes time away from the trip while we try to contact you/sort out a lunch.

UNICEF Committee /School Councillors

This week our Jigsaw focus is 'Thinking about everyone's right to learn'.

The rights of others is something at St. Clement's C. of E. Academy we are actively involved with.

As a 'UNICEF Rights Respecting School', we value, promote, and educate everyone on the 54 articles that make up the Children's Rights Convention. Helping staff achieve this are the St. Clement's UNICEF Committee/School Council, who will lead regular assemblies and voice the views of their peers.

Congratulations to this year's newly elected committee.

Year 4 Trip

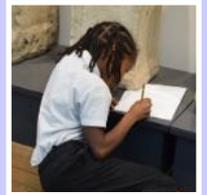

On Monday, Year 4 visited the Birmingham Museum and Art Gallery to learn about the Romans. We travelled to the museum on the train and walked to the museum.

Inside the museum, we explored the Roman artefacts and discovered ancient coins, pottery and mosaics.

After lunch, we took part in a Roman army workshop. We learnt the Latin names for a soldiers uniform, shield and sword. We also discovered how they become the strongest army of their time.

At the end of the day, we took part in a Roman parade and some of us were lucky enough to dress up as Roman characters.
