

St. Clement's Stay & Play

Wednesdays 9am-10am

Non Uniform Day - Friday 6th July - Bring in sweets!

We held a Non Uniform day during Christmas which was a success so, next Friday 6th July we will be having another Non Uniform day. We are asking for donations of halal sweets instead of money. Please make sure all donations are nut free and vegetarian friendly.

Thanking you in advance.

Community Day and Summer Fayre: Parent Stalls

If you would like a stall on Friday 13th July please ask at the school office for more details.

Summer Fayre - Bric a Brac!

We are looking for toys and other items for our Bric a Brac sale. If you have any donations please take them to the school office, thank you.

- Safeguarding: Body Awareness -

'Body Awareness' is an understanding of our body parts and/or our size and co-ordination. Children who do not have adequate body awareness can be unsure of what their bodies need or how they should be treated.

Talk through these points with your child. Highlight and encourage the importance of understanding our bodies, how they work and how to respect them.

1. **Have a balanced and varied diet** - don't be afraid to try new foods.
2. **Get plenty of rest/relaxation** - try to sleep for the recommended hours for your age.
3. **Keep healthy** - attend the Doctors, Dentist and Opticians when needed.
4. **Move** - get plenty of physical exercise to keep your muscles and heart healthy.
5. **Be aware!** - Your body belongs to you and only you have the right to say who touches it - 'My body My Rules!'

- Eesha H. and Kye M.
- Aizah A. and Armaan S.
- Sana K. and Jenneh S.
- Carly M. and Shaimaa S.
- Basil G. and Sumaya K.
- Muhanad A. and Maryam F.
- Zaara H. and Isa A.
- Rehaan A. and Dhakiyah W.

Hello everyone

My name is Mr Cowley and I have been working with computers for 6 years now and really enjoy my job. I have been the ICT Network Manager here for nearly 2 years now and have loved every minute of it.

The staff are all friendly and easy to get along with and the children have been a delight to work with which makes my job a lot easier.

Overall, I have really enjoyed my time working at St Clements and look forward to see what else this job has in store for me.

I hope everyone has a great weekend.

Mr Cowley, ICT Network Manager

Year 3 enjoy the sun on their trip to Beacon Park...

As part of this term's topic 'Flow', Year 3 visited Beacon Park, Lichfield. We had a great day with Ruth the Ranger observing, sampling and measuring Lemonsley Brook. After meeting Ruth, we split into three groups and started our activities. Those of us with wellies on were allowed into the brook to help Miss Greene & Miss Groom measure the width and depth of the brook. We then had to measure the temperature of the water and this was the most fun. To measure how fast the brook was flowing, we played the traditional game of Pooh Sticks but with dog biscuits instead because they float and are also kind to the environment. Those without wellies timed them to see how fast the dog biscuits took to travel down river.

Next, we went pond dipping with Ruth to take samples of the different creatures living in the brook. We managed to catch and observe a few creatures. This proves how clean the water is in Lemonsley Brook. We dragged a net in the water and then emptied our nets into a tray. We then used an identification chart to help us identify the things we had caught. It was great fun and really interesting to see what lives below the surface of the water.

Miss Suwanpatra and her group looked at the trees along the river bank and identified them from our key. There were eight different trees alongside the river. Why not ask Year 3 to see if they can name them?

Nursery Visit St. Clement's Nursing Home

On the twenty eighth of June 2018, six children from Nursery - Sophie, Eliza, Subhan, Ayaan, Mariam and Christiana visited St. Clement's Nursing Home. During our visit, we met a variety of people who had very different personalities.

We arrived at five past ten in the morning; we were welcomed by Naomi and Simone who led us upstairs to meet the residents. The nursery children sang for eight different adults. The first song the children sang was 'Six Little Monkeys' which some of the adults even joined in with. In total the children sang four different songs and told one story. They sang Six Little Monkeys, Baa Black Sheep, Wheels on the Bus and Five Men in a Flying Saucer and the story was 'We are Going on a Bear Hunt' which everyone seemed to enjoy.

After singing, the children had a cold drink [squash]. Approximately five minutes after a soothing drink, the children did some colouring with the adults at the nursing home. Ayaan coloured with Lorraine, Christiana coloured with Princess Mary [they call her that because she's always wearing a crown] and Lesley coloured with Mariam. They all coloured in pictures of animals in a zoo. Eugenia, resident of the Nursing Home, sang 'Daisy Daisy' over and over and again with Lesley.

Overall, the nursery children had an amazing time with the teachers and the adults at St. Clements Nursing home and we cannot wait till the next visit.

Sports Day at the HUB

Last Friday, children from Year 1 - 6 took part in an exciting day of sports activities at the Sports Hub in Perry Barr. As part of our Sports Day, the children enjoyed competing against each other in many games of football, rounders, netball, dodgeball, archery and even on an assault course.

At lunchtime the children were treated to an ice cream or ice lolly from the ice cream man and enjoyed a gymnastics performance from Makayla.

Parents, children and teachers alike all commented on how much fun the day had been with many unable to wait for next years! A huge 'Thank You Mr Burton' for all the hard work you put into organising and running the day.

Earlier today Reception parents and children enjoyed a fun-filled school based Sports Morning held in the M.U.G.A. Everyone involved had a great time watching and competing in a selection of different activities. Thank you Mr Burton!
