## We want your ideas...

Either complete and return this back page to your child's class teacher or submit your suggestions online at: <a href="http://bit.ly/50ThingsForm">http://bit.ly/50ThingsForm</a> or by scanning the QR code on the right.

Please take a moment to read some of our ideas below and tick the ones you would like to see included in our bucket list.

What do you think children should have a chance to experience before they leave primary school?

Fill in your ideas below:

50 things to do before you leave St. Clements.

Inspiring happy, courageous, independent, curious, creative, life-long learners. So that all achieve their full potential, striving academically and socially with humility and dignity.

Believing being anchored in Jesus Christ will guide us with hope, compassion and wisdom in becoming successful members of a global community.

 ${\it \#Learning} For Life Anchored in Christ$ 

Our school vision is to create curious and creative life-long learners. We want children to experience life in all its fullness and to enjoy a full and rich curriculum. To achieve this, we are creating our very own bucket list - a list of '50 things to do before you leave St Clement's Academy'.

We believe that the experiences on the list are those that all children should experience as a part of childhood and, in some cases, are not as much a part of our modern world as they once were. We want them to have the opportunity to assess risks, solve problems, develop creativity and celebrate diversity.

These 50 experiences will be spread out across the year groups and will be linked with the curriculum wherever possible to make them even more enriching and memorable.

## We would love to hear your ideas.

We will be asking children in school to share their ideas but we would also like to hear from you.

What do you think all children should have a chance to experience before they leave primary school?

Is there an experience from your own childhood which you think will enrich our children's time at St Clements?

## Examples...

Should children:

- \* Learn to cook a meal from another country
- \* Make a cake
- Visit a castle
- \* Learn to play an instrument

We would love it if you would complete and return the back page or our online form with your suggestions for us to consider. See overleaf for more detail.
