Our values focus this half term **Compassion**

**School Closed on Monday - Bank Holiday. Teacher Strike Tuesday: Nurs, Yr 3 + 4 to stay at home.**

School is also closed on Monday 15th May for a Teacher Training Day

Hello everyone, another week is over, times seems to fly by. The attendance this week is much improved which is great to see. Keep up the good work, especially in Y 2 & 6 with SATs just days away.

Next Friday we are celebrating the Coronation and children can come to school in red, white and blue clothes to help us get in the mood.

Please can everyone be careful as currently we don't have a Lollipop Lady. Wishing you a speedy recovery Val.

Have a great weekend and bank Holiday. See you all Tuesday.

Miss Shryane - Head Teacher

Please be aware that PRIME Energy drinks are **NOT ALLOWED IN SCHOOL**.

Any drinks found will be confiscated and left in the school office where an adult will have to come and collect them.

I'm Sorry

I would like to say sorry to Zakiah in Year 3.

Last week I spelt her name wrong when announcing the colouring competition winners.

## Safeguarding: Medical Needs of Children

Children, who school are aware have a prescribed inhaler, will have brought home a 'School Asthma Alert Card'. This needs to be completed and returned to the school office. If your child has an inhaler and you have not had an alert card to complete, then please inform your child's class teacher.

It is vital that school is updated with any developments and/or changes to children medically. Up to date medication needs to be supplied and meetings held, where needed, to discuss the needs of the child.

When managing the medical needs of pupils, we aim to do the following:

- To ensure that pupils at St. Clement's Academy with medical conditions is properly supported so that they have full access to education, including school trips and physical education.
- To ensure that a policy is in place for the appropriate care of children, that is practical, and gives reassurance to staff carrying out these duties
- To ensure that the Academy's governing body ensure that arrangements are in place within school to support pupils with medical conditions.
- To provide guidance for senior school management to enable them to consult health and social care professionals, pupils and parents to ensure that the needs of children with medical conditions are effectively supported.
- To provide information about the administration and management of medicines in the Academy.
- To ensure that the individual needs of the pupil are met.
- To ensure that the Academy's inclusion policies and procedures are met.

If you would like to discuss how we manage medication and/or medical conditions in school, please arrange an appointment with a member of the Leadership Team.

Attendance and punctuality are very important to help assist the children with their learning. Being absent or late disrupts not only their learning but that of their classmates.

## Attendance
