

Safeguarding: Beyond the Horizon

At school we work closely with other agencies so that our pupils can get the best support for their needs. One of the agencies we work with is 'Beyond the Horizon'. They offer a range of services that help better the lives of children and families.

Beyond the Horizon - What We Do

'We help children, young people and families who have been affected by loss, bereavement, divorce or separation and domestic abuse. If you have faced any of these difficulties, we offer support to help you work through your challenges to achieve emotional wellbeing and hope for a healthy future. Our counsellors and play therapists help children and young people come to terms with their losses and give them tools to cope with changes in their lives.'

More information can be found by visiting the Beyond The Horizon website or coming into school and meeting with Miss Akers.

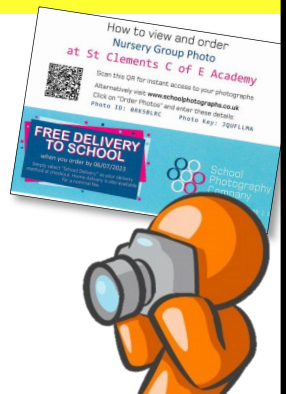

Class Photo Orders...

The photographer was in this week.

Your child should have brought home a card (as seen on the right), this is your order form. All the information you need to order your child's class photo is on the card.

If you order before **Thursday 6th July** you can select free delivery to school.

If you miss that date, you will have to pay for home delivery.

Volunteers Needed

We are looking for anyone who can volunteer an hour or 2 once or twice a week to help us improve our school grounds. This will include some gardening and a general maintenance.

Dear Parents and Carers,

Our new online system to pay for lunches will launch next week, on MONDAY 3rd July!

To ensure your children can have the lunches they want we need you to sign up and register.

You need to sign up and register, even if your child receives Free School Meals (FSM).

With the new system you pay for and order meals for your child. You can do this daily, weekly or in advance, the choice is yours.

Meals will have to be chosen by 9am everyday, if nothing is chosen the children will be given a standard jacket potato.

Over the initial first few weeks, teachers will be able to select lunches for children during registration, but eventually this will be left to you.

We will also no longer be taking dinner money payments in the office. Dinner Money will need to be paid using this new online system.

Any question or queries please feel free to contact the school office who will do their best to help.

St. Clement's Art Exhibition

On Monday 26th, we held our first Art Exhibition, thank you to all those parents that came to share in their child's work. I'm sure everyone will agree the artwork was super and all the children should be proud of their work. We hope to be able to move forward and hold an Art show annually to show off the children's skill and creativity.

The Competition is now closed and winners including the overall winner will be decided over the next couple of days. They will be announced in assembly next week and on the newsletter.

We are hoping to run more afterschool clubs next year for Art, if any parent/carers have an interest/skill in working with children on their art, do let us know.

UNICEF Rights of the Child

Article 21: Children who are adopted

When children are adopted, the most important thing is to do what is best for them. If a child cannot be properly looked after in their own country – for example by living with another family – then they might be adopted in another country.
