Serving the local community in the name of Christ since 1859

24<sup>th</sup> November 2017

Hello Everyone,

My name is Mr Burton and I am the School Sports Coordinator. I have been lucky enough to work at St Clement's for just over five years now and I work with all the wonderful children in the school.

The last few weeks has been very busy for us with all the football teams enjoying tournaments and fixtures. First the Year 4, 5 and 6 boys are currently 4th in the Aston league with only losing one game so far. The girls are also enjoying success where they only lost one game and narrowly missing out on a semi-final spot in a tournament at Goals Perry Barr. Finally our Year 2 and 3 enjoyed their first tournament which went very well with some great play from Andreyia (Y2) and Abdullah (Y3) scoring some great goals.

Have a great weekend and stay safe.

Mr Burton School Sports Coordinator.

### Parking Outside School...

#### Zig-Zags

Just a little reminder to make sure you don't park on the zig-zags outside school when dropping off or picking up your children.

#### Blocked Drives

Can you also be mindful of local residents and not pull up in front of or on their drives so that they have continual access to their properties.

Thank you everyone for helping to keep our children safe and our local residents happy.

### Sport Birmingham Talent Auditions

We are looking for acts to enter the Sports Games Festival being held next year. Sports Birmingham are holding auditions and we are looking for acts from St. Clement's to take part.

The acts can be an individual, a small or large group and could cover dance, music, cheerleading, singing and circus skills etc.

If you think that you could audition then please speak to either Mr Burton or Miss Akers for more information.

We will need to hear from you soon as the auditions closing date is **Wednesday 13<sup>th</sup> December.**

### Safeguarding

Do you want your child to walk home on their own?

(Yr. 5 & 6 only)

If you wish for your child to walk home on their own please ensure you have completed the 'Walking Home' form, which is available from the main school office. This form is part of school policy and children will not be allowed to leave school, on their own, if this form is not completed.

Letting children walk to school on their own is a decision made by parents/carers. When making this decision please consider the following factors, even if a child is accompanied by an older sibling; roads they will have to cross, their age and maturity and the time they are leaving the house.

First Day Back

On Tuesday, Year 5 had a great day at the Think Tank as part of their topic on 'Stargazing'. The children explored the different galleries during the morning and visited the science garden, where their work on forces from last half term came in useful.

After lunch, they took part in a show in the planetarium. As well as sharing what they already knew about the solar system, they learnt new facts about the constellations and the phases of the moon.

It was a great day and they'll be able to use their new knowledge back in the classroom.
