

The Anchor News

Serving the local community in the name of Christ since 1859

23rd September 2016

Firstly I'd like to introduce myself, I am Mrs Nizamis the new assistant head at St Clements with responsibility for the Early Years and Key Stage One. I am also one of the Reception class teachers. Before coming to St Clements I have been an Early Years leader and a maths leader in a previous school.

As part of my role I will be ensuring that children in the Early Years are given the best possible start to their educational journey with lots of hands on active learning through play and our wonderful environment. I will also be ensuring that teaching and learning across Key stage one continues to improve and that the high expectations that staff have for all children are maintained in order for all pupils to achieve their very best.

I would like to thank all of the pupils, parents and staff that have already made me feel so welcome here and really look forward to working with you all this year.

Have a great weekend

Mrs Nizamis
Assistant Head Teacher

Harvest Festival

Friday 30th September - 2:45pm

Next Friday 30th September we will be holding our Harvest festival. Once again this year, we will be collecting food to pass to the Aston & Nechells foodbank. The food bank serves a wide range of ages and ethnicities, families and individuals in the local area. The list of suggested items can be seen to the left and we have also sent one home.

Any donations you can send would be greatly appreciated.

WE ARE MACMILLAN. CANCER SUPPORT

Friday 30th September

We would like to invite you to our Macmillan Coffee Morning next Friday.

We will be selling hot drinks and cakes 9am - 9:30am
Cakes will be sold Afterschool 3:15pm onwards.

Any donations you can send in will be greatly appreciated.

School Council

ROALD DAHL'S Marvellous Children's Charity

Thank you to everyone who supported our Roald Dahl Dress Up Day last Friday. You all helped us raise an amazing **£206.50** for Roald Dahl's Marvellous Children's Charity

PGL Residential

This week was the year 5 and 6 residential to PGL Boreatton Park. This was the first trip with PGL which had lots of great activities for us to do. As soon as the children got off the bus they were greeted by Emma our group leader. Once the children dropped their bags off at their room they were whisked off to get ready for raft building where they were tasked in their groups to design a raft and then test it out on the lake, which I am pleased to say that they showed great team work and all of the groups rafts floated with everyone able to take to the water. After all the fun on the lake it was time for dinner and camp fire where they sat around a fire singing songs with all the other schools on site then off to bed.

After breakfast the next morning they were split off into 3 groups where they rotated around activities such as abseiling, aero ball, climbing, trapeze and problem solving. With the day done and all packed for the trip home the children wasted no time in getting a good night's sleep. The morning of day three was making sure we were all packed and catching up on the activities they didn't do the day before.

All in all the children had a great time and had some experiences that they wouldn't normally get in the classroom as well as finding things about themselves that they might not have known. We look forward to next years!

Mr Burton - Sports Co-ordinator
