Hope

Hello everyone!

My name is Mr Simmonds. For those who may not recognise me, I recently joined St. Clement's in September and I have the utmost pleasure of being the Year 6 Class Teacher alongside Mrs Fox. We have been working extremely hard over the last term preparing for the upcoming SATs year, but I am very proud of the progress Year 6 have made so far. St. Clement's is a lovely place to work and as a new member to the school community - everyone, from the children, their parents, and guardians to every member of staff, have been extremely welcoming. If you see me around school and haven't already, don't hesitate to say "hello!"

I hope everyone has a restful but more importantly, safe weekend.

UNICEF Rights of the Child

Article 22: Refugee children

Children who move from their home country to another country as refugees (because it was not safe for them to stay there) should get help and protection and have the same rights as children born in that country.

Article 38: Protection in war

Children have the right to be protected during war. No child under 15 can join the army or take part in war.

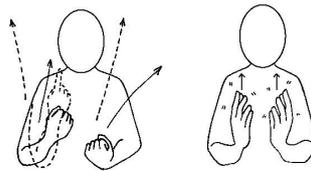

Article 41: Best law for children applies

If the laws of a country protect children's rights better than this Convention, then those laws should be used.

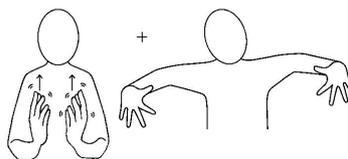

- Don't forget -

It is important to say the words while doing the sign.

Safeguarding: Child Safety Week

This week, in school, the children have celebrated Child Safety Week. Throughout the week, we have looked at and learnt about a variety of topics. 'People who Keep us Safe' – children identified 'trusted adults' and were able to discuss the roles of the Emergency Services. They also, in some year groups, looked at safe and unsafe situations, gang activity, exploitation and knife crime. Another area covered was Healthy Bodies. During these sessions children looked at keeping physically and mentally healthy, mental ill health conditions, exercise, drugs/alcohol/tobacco, nutrition and climate change.

A parent workshop was also delivered by Dr Ewan Hamnet, where he discussed the importance of staying healthy, the rise and crisis of childhood type 2 Diabetes and the impact unhealthy lifestyles have on the planet. Fire Safety and Bonfire Night were also part of the week and children have learnt the history relating to Bonfire Night as well as how to stay safe around fire and prevention. Children also looked at Water, Road and Rail Safety. We ended the week with an assembly on 'Being a Good Friend' and asking for help when we need it. This supported the work the children have done this week on Anti Bullying, the importance of kindness and their right to be safe. We hope to spread the messages to children and adults far and wide that when you need help or are feeling low.....REACH OUT! Because there is always someone at the academy who will help.

Councillor Lee Marsham will be holding a meeting at Free@Last, 49 Nechells Park Road, B7 5PR on **Thursday 17th November 6:30pm-8pm**. Please attend to raise any issues or concerns you have within the Nechells area.

There's still time to enter. Don't forget to hand in your entries!
