Learning for Life, Anchored in Christ

Hi Everyone,

The Summer holidays are here already and although it's been a year like never before, we hope that you have continued to feel supported and informed about all the changes that have happened. Over the past few months we have been working hard on planning for how we will welcome all the children back to school in September and how we will try to make up missed learning. We would like to reassure you, that your children's welfare and emotional well-being is always at the forefront of our minds. Enclosed in this newsletter is some information that will help you understand what school will look like in September, when we expect to see all of the children back. But for now, let's not forget that while the children were at school during last Autumn and Spring terms they worked really hard and had some great successes. The staff have all really missed having our wonderful St Clement's family at school with us, and we wish you a peaceful and safe Summer. We look forward to seeing you in September. **Miss Shryane**

Look out for the transition videos on the blogs and website so the children can get to see who their new teacher will be for September and learn a little more about what they will be doing in September. You can access through the link

A copy of our risk assessment will be on the website from Monday 20th July so you can see what we intend to do to try to make returning to school as safe as possible.

School will be closed for all enquiries from Monday 20th July to Tuesday 1st September 9.00am.

School will start back on Wednesday 2nd September 2020

Nursery and Reception will need to check their Reception & Nursery packs of confirmation to check which day/ hours their child will be starting on.

Due to Covid-19 precautions and Government guidelines, there will be staggered start and end times for school as well as assigned gates for entrance for at least the first half of Autumn term. Any families that have siblings in more than one year group can all arrive together at the earliest start time and will leave at the latest start time. Further information can be found on the school website and social media platforms, or you can call the school office. A leaflet will be shared just before we come back to school to let you know about the changes and expectations for September. If you have anything you feel you need to share about your child prior to their return to school, you can call the office to speak to their class teacher. A reminder about this will be sent before we return in September.
