## # Learning for Life, Anchored in Christ

Hello everyone,

I hope you have all had a brilliant week despite the weather! Hopefully it will feel like summer again soon as we have so much

to look forward to over the final five weeks of this school year!

Reception and I have really enjoyed our literacy lessons over the past two weeks. We have been learning a story about three courageous superheroes. If you have a superhero book that you would recommend to read, please let me know or maybe you could write a superhero story for the Reception children. Have a fun and safe weekend,  
Miss Doal

Donations needed.-If anyone has any good quality Bric and Brac they could donate for the Summer Fair we would greatly appreciate it. Please leave at the school office. Thank you.

Please can you ensure that the school is informed and updated regarding any medical conditions, medication and/or allergies. At St. Clement's Academy we ensure that all children are appropriately supported, so they can have full access to education. We need parents to work with the academy ensuring copies of any medical information and medication changes are brought to the academy's attention.

## HOPE FOR JUSTICE

Modern Slavery and Trafficking is an issue that should not be ignored. Victims are often hidden away, but it is possible you will encounter individuals or situations of concern. Knowing how to 'spot the signs' could save lives. More information about 'spotting signs' of Modern Slavery and Trafficking can be found on the Hope for Justice website [www.hopeforjustice.org](http://www.hopeforjustice.org). You can also speak to Miss Akers for further advice and support.

Well done to Year One who completed their phonics screening this week. All the children worked really hard using their letter and sound recognition to read a range of real and 'alien' words. Miss Tsang, Miss Bennett and everyone at St.Clement's are really proud of you.
