Learning for Life, Anchored in Christ

Reminder: Monday 9th March, **SCHOOL WILL BE CLOSED** for Teacher Training. We will be open on Tuesday 10th as usual.

Hi Everyone,

My name is Miss San and I work alongside the lovely Naz in the school office. I have worked here since 2016, and really enjoy getting to know the children and staff. You can also find me in Breakfast Club in the mornings as well as the playground during lunchtimes. If there is anything you need help with, please come and ask.

Just a reminder that dinner money should be handed in on a Monday in an envelope with your child's name and class please.

Have a good weekend.

Safeguarding: Problem Parking and Junior PCSO's

For a number of years there have been problems outside the school regarding inconsiderate, dangerous and illegal parking during the dropping off and picking up of pupils.

Driveways in the area must never be blocked in anyway, pavements must not be parked on, even partially, road junctions must not be obstructed and zig zags never stopped on.

The school and West Midlands Police have been working closely together to implement the 'Junior PCSO' programme within the school and Police will train specifically selected pupils to be Junior PCSO's.

One of their duties will be to perform high visibility patrols with Police officers outside school at regular intervals, speaking with drivers about their inconsiderate, illegal or dangerous parking. If necessary, the Junior PCSO's will issue specially designed 'tickets' to drivers. If a driver receives two of these tickets and the issue of a third becomes necessary, then West Midlands Police will issue the appropriate Fixed Penalty Notice ticket.

I hope that you can support this exciting scheme which will help to make the school and the community around it a safer place for all.

Many thanks

PCSO Georgina Thompson 31648

St. Clement's Stay & Play

Every Thursday 9 - 10am

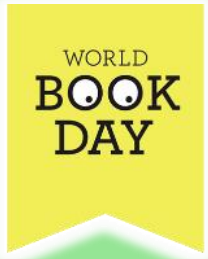

Don't forget our Stay & Play sessions started last Thursday.

The sessions are held in the Nursery classroom and are for people with children **aged 3 years and under**.

Let your family and friends know and we hope to see you soon.

World Book Day was yesterday, however we will be celebrating it on Monday 23rd March to start our Book Week (23rd-27th). We will be basing our work for the week on the picture book 'The Day the Crayons Quit'. and would like children need to dress as a crayon from head to toe on Monday 23rd. **No costumes are needed**. Class teachers will talk to children next week about what colour they could come as.

We look forward to seeing a rainbow of colour on Monday 23rd ☺

TIMES TABLES ROCKSTARS

When it comes to times tables, speed AND accuracy are important – the more facts your child remembers, the easier it is for them to do harder calculations.

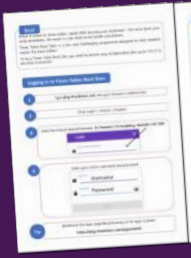

Times Table Rock Stars is a fun and challenging programme designed to help students master the times tables! To be a Times Table Rock Star you need to answer any multiplication fact up to 12x12 in less than 3 seconds!

The children have the chance to do some work on TimesTable RockStars in class but we need you to encourage them to use it at home.

You can access it online via the internet or a downloadable app. For more information please see the leaflet that has been sent home last half term.

If you need more information please speak to your child's class teacher.

Leaflets with your child's username and password were sent home last term. If you need them again please speak to your child's class teacher.

Reminder: Monday 9th March, **SCHOOL WILL BE CLOSED** for Teacher Training. We will be open on Tuesday 10th as usual.
